Carly Fall : Second Sight (A Paranormal Military Romance) (Supernatural Renegades Book 4) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Second Sight (A Paranormal Military Romance) (Supernatural Renegades Book 4):

1 of 1 people found the following review helpful. Zach is the man!By CustomerZach is officially my favorite renegade! After reading The Way You Are, I had a feeling he might earn that title, and I couldn't wait to read his story. I loved his dry wit and sense of humor. Most of all I loved the way his blindness was portrayed. His disability did not stop him from being a capable, strong man, and I think it made him even more appealing. As a side note, I enjoyed the scenes from his point of view. I think the author did a great job using Zach's other senses to guide the reader through the scenes. As a heroine, Ella was unique. I have read a lot of wounded and stoic heroines, but rarely see that in a heroine. At first she isn't a very likeable person, but he reasons why and her resulting change turns her into a heroine to root for. The love scenes between them were hot as well ... Probably some of the best in the whole series. The next book should be interesting, and I look forward to learning more about Rueben, the newest renegade to join the team. I really hope to learn more about Joe and Group 9 as well.0 of 0 people found the following review helpful. I wish there were more books in the series because I've read them all I want more!By Alice M. MarksThe Paranormal Military Romance series was so fun to read. There's suspense, excitement, and romance! This book is part of a series, but can be read as a stand-alone book too.1 of 1 people found the following review helpful. Second SightBy Eileen CordovaRead all the books in this series. I really enjoyed them since I love stories that deal with the paranormal, suspense, and romance. I hope you continue with the finding of the rest of the platoon members. I believe that would make good reading. Can't wait.

An explosion in the jungles of Guatemala left Marine Zachary Johnson completely blind. While struggling to come to terms with his disability, a strange phenomenon starts to happen: whenever he stands in front of a mirror, he sees snippets of the future. As a man with a dark past, Zach is recruited by the secretive and elusive Joe Smith to help in the underground war against a clandestine faction of the government only known as Group Nine. Zach finds himself partnered with Ella Frolic, Joe's old lover; a cold, angry woman with a chip on her shoulder. As they work together toward their end goal, Zach is able to thaw Ella, bringing out her true personality, and both find themselves caught up in a whirlwind romance neither ever expected. As the last phase of Joe's plan falls into place, everything goes terribly wrong, and Zach ends up in the clutches of Group Nine. Will Ella save her lover, or is she the one responsible for his

capture? Interview with the Author Q - So, what makes the Supernatural Renegades series special? A - It's a mix of things, really. When I set out to write these books, I wanted to create something that mirrored exactly the kind of books I like to read, yet I wanted to create something a little different. I love reading paranormal romance bestsellers, as well as military romance best sellers. The Supernatural Renegades books are a great mix of these genres. You'll find the series focuses on the paranormal romance genre, and the heroes are in the military. There is also action and adventure as well to keep the stories interesting. Overall, the Supernatural Renegades series is designed to keep you turning the pages - and I've made sure there's never a dull moment until everyone gets their happily ever after. Q - What order should I read the books in? A - I've written the series so you can read the books in any order, and all the story threads will tie up nicely by the time you're finished. If you do want to read them in order, I'd suggest the following sequence: *By Sea Beyond the Past* *The Way You Are* *Second Sight* Q - So, why should readers give these books a try? A - Because each book in the Supernatural Renegades series focuses on one of the Renegades, and all are alpha males who each has their own special paranormal ability. There is humor, action and adventure, and of course, romance and romantic suspense. All books have hit the top ten best sellers in their categories, and all have received rave reviews. Ultimately, readers who enjoy paranormal romance and military romance will enjoy the Supernatural Renegades. Supernatural Renegade Series eBook Categories: - romance suspense military -Military romance series - Military romance suspense series -Paranormal romance military series - Action and Adventure Romance Series

About the Author Carly Fall is a wife, a mother and a slave to the dog, Nicky. She loves to laugh, thinks chocolate and wine should be considered their own food group, and wishes Christmas happened twice a year. She is the author of the award-winning and best-selling series, the Six Saviors. She is also the author of the Supernatural Renegades series, and other paranormal and contemporary romance.
